2nd

You must complete this class once case is filed in order to receive your discharge:

Additionally, you will need to take a second class in order to receive your discharge. You will need to obtain a certificate that indicates you have completed a course on **debtor education**. This class is offered by a different company. If you fail to complete this timely, your case can be closed by the court without a discharge order being entered. Your case may be reopened to file the required certificate(s), but the cost will be an additional \$350.00 (which is substantially more than just completing the class quickly once your case is filed).

Please have the certificate emailed to me at bankruptcylawofficejb@yahoo.com.
